DATA PROTECTION

One of the biggest changes in UK Data Privacy Law came into effect on May 25. The General Data Protection Regulation, known as GDPR, is a positive step towards you personally having more control over how your Data is used, held and how you are contacted. The changes will also help to better protect your personal Data.

You will have received a copy of our Privacy Policy which we hope outlines why we hold personal Data, how it is collected and used, how it is stored, how long it is held for, who it is shared with and how it is deleted. We do however need to obtain and record your permission to continue to use your Data to conduct our lettings service and to assist us in protecting you as the Data subject.

Whilst we the Agent shall make every effort to keep your personal details safe and secure, it may be necessary to share such information with trusted third parties. The Agent will not divulge personal contact details to any other third party organisation for marketing purposes without prior approval unless this is necessary to comply with a statutory obligation.

I, the Guarantor, agree that my personal details may be shared with trusted third parties such as utility companies, maintenance contractors, credit and referencing agents and debt collection companies etc. as necessary.

DECLARATION

I hereby certify that I believe the information given is true and accurate and hereby give permission for the landlord or his agents to use the above information for the following purpose:

- Performing a credit search via a third-party agency.
- Contacting my current and previous employers, referees, previous landlords and accountants to confirm the details provided.
- Fraud prevention, credit assessment and insurance decisions

I understand that I can request the details of any credit reference agencies used so that I can verify with them the information provided.

I can understand that if I default on my guarantor obligations, this information may be released to authorized debt recovery agencies and could affect any future applications I make for tenancies, credit and insurance.

I understand that providing false information may lead to early termination of any subsequent tenancy agreement.

I confirm that I am over 18 years of age.
